## THE REAL DEAL

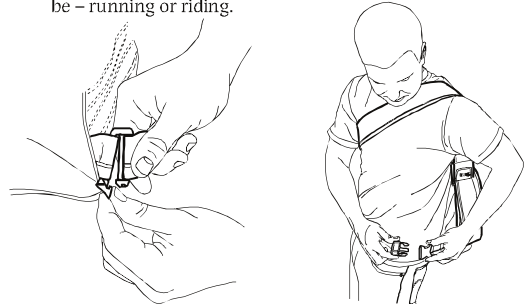

### 1. EXTRA WIDE STRAP

75mm wide strap comfortably and evenly distributes weight. Ensure buckle engages with black locking tab.

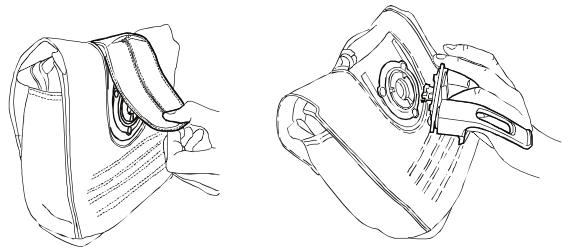

### 2. WAIST STRAP

Connect your 3D waist strap to the side tabs on the bag. This will keep your Dog right where it should be - running or riding.

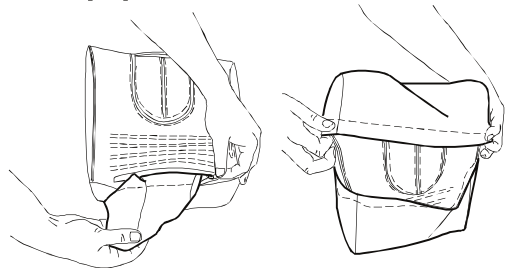

### 3. UNIVERSAL HUB

The Universal Hub is under the flap on the back of your dog, allowing you to transform your Dog into Pannier, Backpack or Handlebar bag

### 4. WATERPROOF RAIN JACKET

Quick zip release onboard waterproof rain jacket, covers your whole bag for those times when you need total liquid protection.

### 5. TOOL FREE ATTACHMENT

No-tools-necessary silicone straps with built in tarzan strength grip your bars tight, and make for a quick getaway once you reach your destination.
